

Dear Recruiter,

My name is Alina, and I am enthusiastic about the opportunity to apply for the Software Engineer (Intern) position at Priyo. Currently pursuing a degree in Computer Science, I am deeply committed to advancing my skills and knowledge in both frontend and backend engineering.

Throughout my academic journey, I have gained valuable experience in frontend development, and I am currently dedicated to expanding my expertise in backend technologies. I am deeply committed to advancing my skills and knowledge in these areas, and I am confident that my eagerness to learn and adapt will enable me to excel in this role.

Joining your esteemed company presents an exciting opportunity for me to further develop my skills and contribute positively to the team. I believe that my resume will attest to my qualifications and capabilities, and I am genuinely excited about the possibility of working with your team and embracing the diverse opportunities offered by Priyo.

Thank you for considering my application. I eagerly await to hear from you.

Sincerely,

Alina Zaman
